HAM Sr., GEORGE JAMES

George James Ham, Sr., a resident of El Cajon since 1931, passed away at his home with his entire family present on May 5, 2009. George was born in Villagreen, Colorado to Mary Lorene and George Dallas Ham on March 12, 1922, the youngest of 12 children. He moved to El Cajon with his family from Clarendon, Texas at the age of 9.

George is survived by his wife of 60 years, the former Mary Jane McKenzie; sons, George Jr. and Robert; his beloved granddaughters, Michelle and Carolyn and daughter-in-law Joannie, and sister Mildred Stone, all living in El Cajon.

George attended El Cajon Grammar school where he met his lifelong friend Ray Cunningham and graduated from Grossmont High School in 1940.

After high school, George worked at Consolidated Aircraft until his induction into the United States Army Air Corps as an aviation cadet in January 1944.

After completing his military service at the conclusion of World War II, George joined with his brothers Herb and Bill, constructing septic tanks throughout East County. Their company grew and became known as Ham Bros. Construction, Inc., a General Engineering Construction firm, constructing public works and private projects throughout San Diego County and over the years in Sacramento and Riverside County.

During his career, he served as President of his own company, served on the Board of Directors and Labor negotiating committees for the Associated General Contractors of America, was an investor, organizer and former board member of San Diego National Bank and developer of a variety of real estate projects in East County related to family holdings.

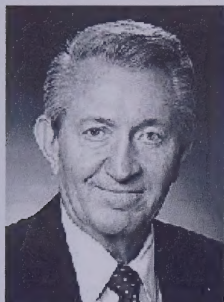

George was known best throughout his personal life and career as an individual of strong character and integrity, showing caring and concern for all those that he came in contact. As stated by a close family friend, "For me, as for all of us, he was an extraordinary man with that unique combination of ability and humility which served as a model for all of us to follow."

Graveside Services were held on March 13, 2009 with Military Honors at the **Singing Hills Memorial Park**.

The Ham family wishes to express their heartfelt gratitude as George would have insisted, to all the fine individuals at the Sharp Transitions, Hospice Care Program who made it possible that George always be home with his family and for us to have as much time with him as possible. Donations are suggested to the Grossmont Hospital Foundation, Sharp Hospice Care Fund, P.O. Box 158, La Mesa, CA 91944.

"A DAY WHICH WILL LIVE IN INFAMY"

"Yesterday, Dec. 7, 1941, America was suddenly and deliberately attacked on the Hawaiian Islands by naval and air forces of the Empire of Japan. Americans will remember the character of the onslaught against us, a date which will live in infamy. This form of treachery shall never endanger us again. TOKYO, Dec. 8. Japan today declared war against the United States and Britain today with surprise air and sea attacks on Pearl Harbor, Honolulu and other U.S. possessions in the Pacific.

Property sold

LAKESIDE — A 17-acre property of the Ham Bros. Construction Inc. was sold to a Monterey Park pipe manufacturer for \$5,385,000. The purchaser, Ameron Inc., will relocate from an existing facility on Mission Gorge Road in San Diego.

Ameron will produce 12- to 21-foot concrete pipes to be used in water or sewer transmission lines and storm drains.

Ken Kay, senior vice president of finance and administration for Ameron, said that the company will service a market need for the San Diego area.

He said he did not know whether the pipes would be used to transport reclaimed water.

George Ham, who co-owns Ham Bros. with his brother Bill, said that he has not yet picked out another site for his company, though it might be moved to another property that the brothers own in Lakeside.

"We had more property than we needed, and they had a need for a plant site," said Ham.

Ham Bros. has operated in Lakeside for the past 45 years. (laf)

HONOLULU, Dec. 7.—
Battleship Row, heart of
the U.S. Pacific fleet, was
dealt a devastating blow
this morning by Japanese
aircraft.
The giant warships, clus-
tered along the waterfront
in Pearl Harbor, were the
prime target for the count-

same or improved weapons or the types used in World War I. The greatest advances were in aircraft and tanks.

CAUSES OF THE WAR

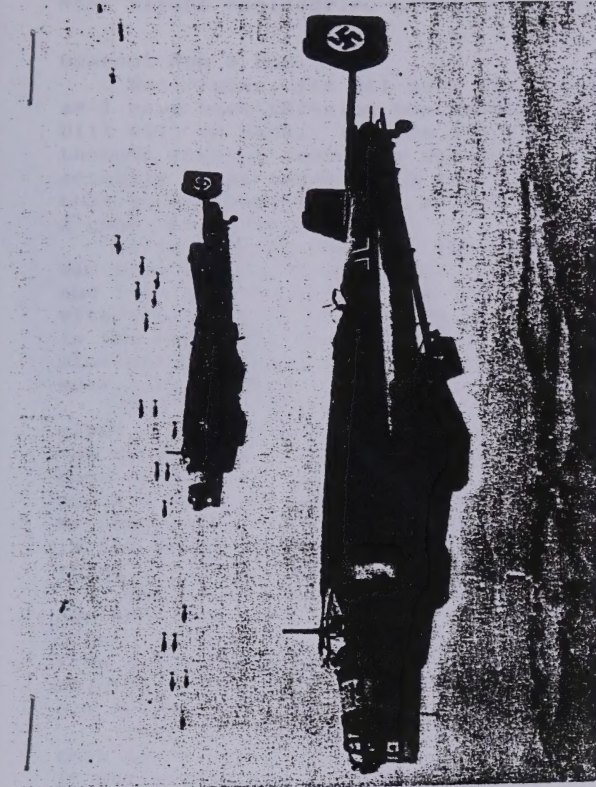

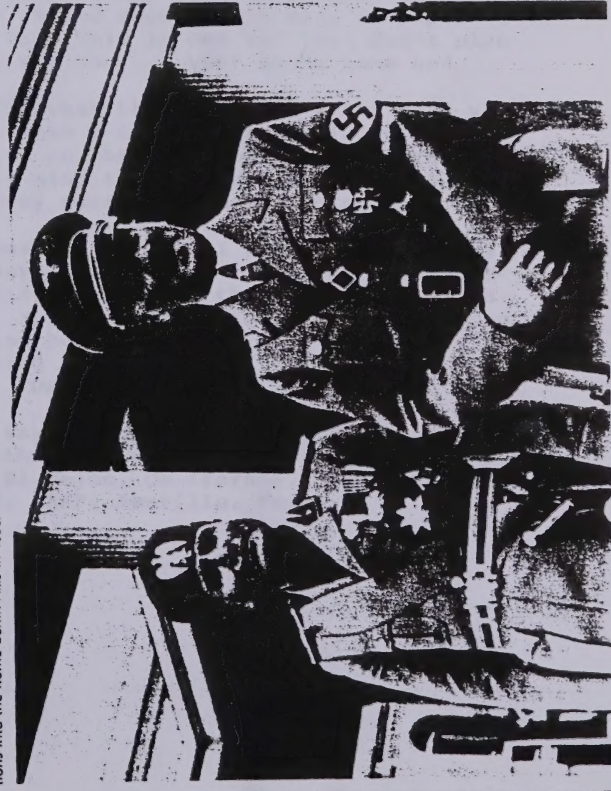

Three major powers had been dissatisfied with the outcome of World War I. Germany, the principal defeated nation, bitterly resented the territorial losses and reparations payments imposed on it by the Treaty of Versailles. Italy, one of the victors, found its territorial gains far from enough either to offset the cost of the war or to satisfy its ambitions. Japan, also a victor, was unhappy about its failure to gain control of China.

France, Great Britain, and the U.S. had attained their wartime objectives. They had reduced Germany to a military cipher and had reorganized Europe and the world as they saw fit. The French and the British frequently disagreed on policy in the postwar period, however, and were unsure of their ability to defend the peace settlement. The U.S., disillusioned by the Europeans' failure to repay their war debts, retreated into isolationism. **Peacekeeping Measures.** During the 1920s, attempts were made to achieve permanent peace. The first (in 1920) was the establishment of the League of Nations as a forum in which nations

WORLD WAR II, global military conflict that, in terms of lives lost and material destruction, was the most devastating war in human history. It began in 1939 as a European conflict between Germany and an Anglo-French coalition but eventually widened to include most of the nations of the world. It ended in 1945, leaving a new world order dominated by the U.S. and the USSR.

More than any previous war, World War II involved the commitment of nations' entire human and economic resources, the blurring of the distinction between combatant and noncombatant, and the expansion of the battlefield to include all of the enemy's territory. The most important determinants of its outcome were industrial capacity and personnel. In the last stages of the war, two radically new weapons were introduced: the long-range rocket and the atomic bomb. In the main, however, the war was fought with the

could settle their disputes. The league's powers were limited to persuasion and various levels of moral and economic sanctions that the members were free to carry out as they saw fit. At the Washington Conference (q.v.) of 1921-22, the principal naval powers agreed to limit their navies according to a fixed ratio. The Locarno Conference (1925) produced a treaty guarantee of the German-French boundary and an arbitration agreement between Germany and Poland. In the Paris Peace Pact (1928), 63 countries, including all the great powers except the USSR, renounced war as an instrument of national policy and pledged to resolve all disputes among them "by pacific means." The signatories had agreed beforehand to exempt ways of "self-defense."

The Rise of Fascism. One of the victors' stated aims in World War I had been "to make the world safe for democracy," and postwar Germany adopted a democratic constitution, as did most of the other states restored or created after the war. In the 1920s, however, the wave of the future appeared to be a form of nationalistic, militaristic totalitarianism known by its Italian name, fascism. It promised to minister to peo-

ples' wants more effectively than democracy and presented itself as the one sure defense against communism. Benito Mussolini established the first Fascist dictatorship in Italy in 1922.

Formation of the Axis Coalition. Adolf Hitler, the Führer ("leader") of the German National Socialist (Nazi) party, preached a racist brand of fascism. Hitler promised to overturn the Versailles Treaty and secure additional *Lebensraum* ("living space") for the German people, who he contended deserved more as members of a superior race. In the early 1930s, the depression hit Germany. The moderate parties could not agree or what to do about it, and large numbers of voters turned to the Nazis and Communists. In 1933 Hitler became the German chancellor, and in a series of subsequent moves established himself as dictator.

Japan did not formally adopt fascism, but the armed forces' powerful position in the government enabled them to impose a similar type of totalitarianism. As dismantlers of the world status quo, the Japanese military were well ahead of Hitler. They used a minor clash with Chinese troops near Mukden in 1931 as a pretext for tak-

Dearest Mom & Pop:

Well folks, its all over now I guess- I can't quite explain how happy I am-I have been thinking how wonderfull it is, and now it won't be long till Bill will be back, I guess our family will be all together once more, and the thought sort of leaves me speechless. I can't quite realize that we could actually be at peace again and I guess it will take some time for us to realize that we are humans again, we had today and tomorrow off as I guess we will have a good chance to rest up.

I've already lost all interest in the army, the only time I was interested was when the war looked bad-. Now like everyone else I am ready to come home and I do want to stay. Mom just the thought of having the opportunity to be with you & pop at home makes me so happy that I feel like any time I served in the army from now on is just wasted. I am no longer interested in a commission, my wishes are very simple. I just want to get back home and start to work, and be happy.

The field has been in an uproar ever since yesterday and everyone was given a two day pass. I have stayed here on the base because I can't see knocking myself out in town with beer. Well mom I don't

page 2==

guess I will get home for a long time, but at least I can visualize an end to my army career. and the thought is very comforting. I still say that Amarillo is the worst place I've ever been stationed. I hate this place worse than anything. I think that if I could leave town I wouldn't mind the army so much.

How is everyone there. Hope you are all well,-I heard from Sis a few days ago and have received all of your letters. Its sure good to hear from you often Your letters are really appreciated. I enjoy them so much. I also hear from Elise occasionaly- I saw Erma this weekend. She was fine, and as ever I enjoyed myself very much. Mr. Hodges was there, He sure seems to be a nice old fellow.

Well mom the lights went out on me last night so I had to discontinue this untill this this morning I slept a little late, tell eleven to be exact. It was really fun sleeping so late, I haven't done that since I was at ? And it really felt swell. Well mom I don't have any ideal what will happen. I have an ideal that some officer will be around soon with a slip of paper looking for volunteers for the peacetime army-This is one kid that don't plan on staying in the army any longer than he has too. I want to be home and

page 3==

start working on my future. I rather think that there will be a few guys who feel they will continue this program from what I can hear-they will continue this program I'm in and use us as engineers on the C-97^S which is a cargo ship something like the B29, I don't guess I'll mind that so much but I don't plan on signing up for any extra time in the army even if it means going back to my former P.F.C rating.

George Klus my buddy is trying to convince me that I should go swimming with him, but around here the wind is always blowing and it is too cold so I just told him to go jump in the lake. Well mom I can't think of any news so I'll close for now and write again soon. You write soon too, Okay. Tell pop hello give him my love. Tell everyone else hello.

Your loving son
George

Dear Freida, Rufus & Jean:

Will take this opportunity to write you, please don't pass out because I know its been a long time since I've written, -But I'm sure you know that it isn't because I haven't though of you often, it has been mostly lack of spare time and I've been lucky to find time to write what few letters I do. How are you anyway? I'll bet the weather is nice there now-right? I can't say much for the weather in Amarillo, but here at Hereford it is much nicer, I went for a horse back ride with Kenneth this morning, -we rounded up a few hundred sheep and had quite a time.

Well Freida-now that the war is over, I guess I feel about like everyone else in the army-when will we get out? I don't expect to get out soon myself and I don't know if we will finish training either, I guess it is first a matter of time till we'll find out what goes. The popular opinion is that we will have a chance to finish if we sign up for three years, and I'll give you three guesses what this kid will do.

We got a couple of days off last week.-it felt pretty good to loaf during the week. But the mayor of Amarillo closed all the liquid stores so everyone had to stay sober including myself which is no novelist for me- You know what a Booze Hound I am here.

Well Freida I have about 25 days left here at Amarillo-if everything goes according to schedule-which it probably won't. I doubt very much if we will finish out training but it all depends on what "Hop Arnold" our Lord & Master wants to do with us. But I'm afraid he will want to hang on to his younger crop including myself, for a few years.

I have started trying to figure out what I'll do after I get out "when & if"- College looks pretty good to me right now, and everyday I realize how ignorant I am, and how much a couple of years of school would help me. But I guess thats quite some time in the future so I'll sweat things out for a while.

I read your letter to Erma; and began to think what a heel I've been for not writing you sooner. But as you know, Procrastinating is one of my major faults and my altitude up to now has been to put things off as long as possible, but I'll try to do better in the future. I still say that Amarillo Air Field is the hell hole of the Army Air Forces, and I'll just as soon sweat out a Jap Bonzia attack as I would some of the radical officers we have there. It seems like everyone there including the officers are to discusted with the place. That they take their spite out on us, But the tougher part is that we don't have anyone to take our spite out on. A cadet is the lowest thing that crawls and we don't rate much respect..

Well Freida-How do you like being able to drive into a gas station and say fill her up? Thats what I want to do again. I'll bet those guys will ever start polishing windshields again don't you How is Jean & Rufus? Hope they are well,, Sure wished I could get a furlough-(a permanent one)-But I'll settle for 15 days. Somehow I've lost my interest completely in the army-that is what little I ever had. I guess I'll probably be here for another month. Erma & I have been talking about how nice it would be if you people could come out here for awhile. But theres probably a lot of complications even though gas rationing is over with. What do you think they will do with Consolidated Aircraft now? I rather doubt if my old job will be waiting for me when get back, don't you?

But I am also doubtful that I'd want to go back to work there. But as soon as I've pawned any gold tooth I'll probably do most anything. I still say I could get along and feed myself better then the army does anyway. But I am afraid things will be a bit rough on a returning service man, for a while at least. But it will take quite a while at the least, but I'm looking for things to be better than ever before after the confusion is over. Well Freida I seem to have run out of space so I'll quit for now and let you rest. write soon.

Lots of love to you all.

From a letter to Willie Brown from Fern Kent dated Jan. 28, 1989.

Willie Lee have you seen the movie "The Grapes of Wrath". Well thats whi the GD Hams looked like when we came to Calif. Herbert worked on our old Bru- ick or what ever and on his own nice looking car. Do you know what make it was. Think it was yellow and a coupe. I loved to drive that car. All our worldly goods were hauled in our two trailers. I told you about George Jr's. illness and how he was healed of it in New Mexico in one of my letters. The trip was hard on mom and George but we were all happy and excited about the trip. The Dr. had told mom that if they get George out of that climate he wouldn't live so even mom was glad to get out of Texas. Willard was twelve years old and drove that old Bruick or whatever it was all the way with this trailer loaded to the top. It made over the steep climbs where newer cars were stopped and having problems. We had only one problem and that was a fla- tire on the trailer. Herb stayed either behind or in front of us. I know Lilly and Herb and children had fun and we did too. We stayed nights in cabi- built beside the road where we could bathe and prepare our own meals. Herb and Lilly stayed in their own place. We kids never knew anything nicer to sleep on than our pallets so we were comfortable. We were all together and one big happy family. Herbert took such good sweet care of us. Lilly was al- ways so good and loving with mom. We were all pretty tired at the end of the day and glad to bathe and eat & sleep. I remember we had lunch under a group of Pepper trees on the Calif. side of the border. That was a red letter day. We all had fun with you and Bennie. There under the trees you could run & play. We made it. Then we traveled from there to Cuyamacha where we stayed in log cabins. It was just beautiful there. We were anxious to see Fred. W- loved the mtns. Next morning we went on to Freds friends where he lived with the Speaks family in Cuyamacha. You probably remember Dick Speaks, the son. They gave us breakfast. Fred joined our now completely happy group and we started down the grade to S. Diego with Fred at the wheel of our car and Herb behind us. As we went down the grade our trailer got out of control and we nearly went over the cliff. but no more trouble after that. Herb was so frightened Lilly said he said over and over easy, take it easy. We drove to National City on 4th St. where Fred had rented a beautiful white house with dormer windows in front, a beautiful green lawn, a large living room with a baby grande piano, dining room large kit, and bedrooms galore and a sun porch and hardwood floors. It was four blocks from main street. Herb and Lilly went on to their place a few blocks from us. Chris & I walked a block or so to visit them. Don't remember them staying there or if they moved. Wish I could remember. Can you fill me in on that. Fred drove us all over S. D., showed us all the sites, the ocean, Old town, all the old missions, took us to the movies, I'll never forget it. The trip was a joyful experience for all of us as far as I could tell. Then Fred and pop and I suspicion Herb was in it found this place in Johnston and we moved out there. Herb and Lilly bough

the turkey farm or ranch and moved there. He had a luscious orchard full of luscious grapes and kept us well supplied with all kinds. I met Red in Nat. City. He knew Fred and came to visit. We were married three months later. Then the family moved to El Cajon, I moved to S.D. We rented a place on Market where Reds folks lived near Greenwood cemetery where they owned their home. Then I moved to a north park apartment where I took a course in cosmot- ology. Red went to work for an electric Co. as a journeyman electrician. Wo increased, he made money on a big job in Tacate enough for me to buy Herbs property in El Cajon that he had offered to sell me some time before.

Then the family, the GD Hams and Fred, moved from Johnston to El Cajon on A Street where Fred had bought the home place and moved the family there. Herb and Lilly had the other half with Mollison frontage. Can you tell about that deal. Did Fred and Herb buy this property at the same time? Then I bough- t the land from Herb. When I bought it from Herb he was still living at the turkey ranch.

I don't know where Herb and Lilly went when they left Johnston but it wa

either El Cajon or S.D.

Freida call this morning. She told me that before the GD Hams moved to Calif. from Clarendon, Tex. Herb and Lilly (no children) moved to California to Long Beach where he worked for an oil company until it closed down. While they were there Freida said Lilly wrote her a letter saying she was pregnant with Bennie. After the job in Long Beach Herb and Lillie came home. Bennie was born at your Grandmas house then Lillie came home with Bennie. She was the cutest baby. Neither mom nor Lillie were well, so I learned to cook on a kerosene stove. Later we all got heads together and decided to move to California. Freida said it was 3 yrs before she visited mom and Herb was still living in Johnstown she said. She stayed the night at this ranch in Johnstown so we know they didn't leave S. D. and go to Long Beach. Could be wrong

This is what I do remember. They lived for awhile on Washington near Magnolia at a chicken farm. I used to down to see Lilly and children. Where did they live when Maryalice was born. What would we have done without Herbs help and expetise young Bill Ham deserved a Brownie Button. Please write when you can.

Love you
Aunt Fern

P.S. Can't wait to try the recipe.

Dear Willie Lee,

First, before I forget, the car Herb and Lillie drove to Calif. from Texas was a Chevrolet coupe. Herb made a bed in the back for Lillies dishes etc. Our car was a dodge probably about a 25 or 26 model. It had, as I told you a folding seat that faced the rear seat. It was four door and a black color. Chris and I sat on this folding seat facing Mom, Sis and Geo. Jr. I checked the cars out with Rufus so its correct. After George got well we had a lot of fun in the back seat laughing teasing and acting silly. We were so glad to get away from the Texas plains.

You asked about the motels. The first nite we stayed in a community like place. A big kitchen, tables, place to cook, big stove, sinks for dish washing. We got there late after dark. Can't remember where we slept that nite but we (Chris) think we slept outside under the stars as we did a couple of times later. We would stop along side the road, build a campfire and cook our meals then put mattresses on canvas on the ground. It was beautiful sleeping out in the open. You children slept with Herb and Lillie. There were tall pines in a meadow where we stayed one nite. We stopped early and had time to walk around. Pop always did shopping for all our groceries. He liked lots of cheese and crackers, steak (fried steak and gravey etc.) He would buy a large round baloney, vienna sausage. We all ate well. We all ate together. We were a happy family. Mom and Lillie were always close and Herb was always so good to mama and papa also. Lillie never looked tired and always seemed happy and busy. When we stayed in motels we bathed in outdoor bathhouses in N. Mexico in artesian well water. (can't remember how we washed the dishes when we camped out. Probably had plenty of water in the trailers.) Lillie probably dried her clothes in the car next day. Don't remember us washing, laundering, anywhere on the way. In those days we wore our clothes a little longer than now because we washed just once a week and it only took about a week probably to get here. Chris remembered the camp outs. One was in Hondo Valley, another was near the Arizona border. The motels were exciting for me. Herb and Pop were so busy and Bill too with the cars and trailers. Bless his heart. Fellow travelers were very helpful and kind and concerned about our welfare and seemed pleased when we made it over some hurdle. When we camped at nite all of us kids (I was a grown young lady about 20 years old, Chris was 17) looked after you and Bennie. George just loved both of you and played with you. I can still see us all in my memories. We could never have made it with out Herbs mechanical expertise and good sweet nature. Love him and wish I could have a long talk with him. I always thought he and Bill Ham were the best looking brothers I had. Did you have long talks with your dad?

Made a big mistake. Bill it seems was 14 yrs. old when we moved here. Chris is checking this out. As far as I am concerned he will always be twelve years old when he drove us here from Texas. I have a picture of me and Bill just before we moved. He looks about twelve to me but cant argue with facts. We had lunch along the road side. Willie I wish you could remember all this. It was so much fun.

After we got to Calif. and had lunch under the trees Herb talked to Bill about how to drive on the boarded hiway. It was there and we drove over it. There was a good long stretch of it. Don't remember where it stopped. We had not one problem crossing the desert. Herb must have held his breath all the way across that desert. Then we had the steep climb to Jacumba where we stayed the nite and got a bath. We were like a bunch of ducks in our cabins.

I think Herb and Lillie stayed with us a few days before they found the little house near us. The younger children went to school in Nat. City. Guess we stayed there till school was out. We loved Calif. Enjoyed the library so much and we walked and walked all over. It was a nice place to live in those

Told you about this a repeat 1st day here
Told you about all this. About Pop

days but home is Johnstown was even more beautiful in an "Orange Grove."

I don't know who taught Bill to drive but it had to be Herb. Pop knew how to drive but never drove a car. I learned to drive like you did while visiting Erma in Hereford when I was 15. I forgot how to stop it. I drove under the clothes line, scattered the chickens, went around the house and barns with Erma running screaming telling me what to do. Then I finally figured it out. Drove everywhere after that. Even drove their flat bed truck to Hereford several times. I remember Don's car wreck. He was the sweetest little boy and so good looking. Willie I don't remember Lillie mentioning your birthday on the trip out. You probably spent it with us in Nat. City. We never celebrated birthdays until 1938 when Mary L. had her 1st birthday (Mary L. is Mary Lorraine Kent) Don't know when Lillie started. Where did Herb live when Maryalice was born? Was it at the Turkey Ranch. We, Red and I, would take mom out there to see Maryalice when they came home from the hospital. Can't remember where you lived at that time.

Think I've tried to tell you where we lived in Johnstown. There was a dutch windmill at the foot of the hill near our turn off the hiway. Fairye says it has been removed. We lived almost directly across the hiway from Herbs.

About Bertis Ham. Don't know the date of her death. Marybell refused to work with me on the family data. Maybe Freida can get it for you. The picture was taken in L.A. at Uncle Toms place. I didn't get Uncle Toms address. They only visited me once while they were in Calif.

You asked about the Markhams. Who is Josie. Josie is aunt Josephene Markhams's granddaughter. The Markhams, and the Tom Hams all lived in Amerillo. Freida visited Aunt Jo while we were in Amerillo visiting Uncle Tom and Aunt Mary. I visited Lena and Bill Rowe (aunt Jo's grandchildren) while I was there. I really liked Lena & Bill. Bill was fun to be with. He sang and played the guitar and I used to sing with him when he came to our house in Bryce etc. Lena was very smart. If you could find a Markham in Amerillo you would probably get some old records on the Ham side of the family.

Enjoyed hearing about your Grandchildren. Its nice to have lots of them. I have seven and 2 that I don't see of Mary Loraines but wish I could. The Thomas Hams (Aunt Mary & Uncle Tom) lived in Los Angeles. Thats all I know about them. Are they buried in Texas or Calif? Sure would like to know. Didn't they sell their property in Los Angeles and go back to Amerillo. Do you know?

This is an answer to your question about our car (the dodge). Was it a two seater? No, it was a six seater. Very roomy and comfortable. There were five of us in the back seat. Chris, Sis, Geo. Jr., Mom and me. Only pop and Bill in the front seat. Herb and Lillie looked really neat and so did we except our car was not as nice as theirs but who cared. We were on our way.

The traffic on the hiway was not heavy anywhere. We didn't hold up traffic at all. The motels had stoves and tables and beds as told you before. Chris and I were talking about it. The ones we stayed in were not fancy. I remember mom and pop slept in the bed. We slept on the floor. They were pink stucco or cream. One was a cabin type somewhere in N. Mexico. We had no gasoline problems, no bathroom problems. We had that all figured out. people were smart back then, huh. Sponge baths if no bathtubs. Gallon portable toilets with lids if no toilets to flush and all the great outdoors for a septic tank. We did have toilets in the motels. Outdoor toilets were still in use in the 30's also. Willie, we stayed somewhere between Jacumba and Cuyamacha the last nite on the trip.

The boarded hiway seemed rather even as far as I can remember and very firm and solidly built. Maybe it was up and down and I just didn't notice it.

We built the house on the Mollison property. We built 2 rooms and moved out from Washington St., S.D. and drove to work from E.C. ea. day. Red worked for Bob Bender for an Electric Co. I finished beauty school and worked on university, then decided to start my family and finish building the house. This we

we did. Those were happy years there on Mollison St.. Mary L. was born at the Quintard Hospital S.

It was reassuring to have Herb and Lillie along for sure on that trip. We would not have come by car without him. We would have traveled by train. We had to get George Jr. to a warmer climate. Fred came to Tex. for a visit in 1932 (summer) and they decided to do it while he was there. Then we all got busy and got under way.

I met Red in National City. He was a friend of Dick Speaks and had been for years. He, met Fred Ham thru Dick Speaks. Red came to see Fred. That's how we met.

Wish all the dates would come tumbling into my consciousness but it won't do it, so will close and write Maryalice.

Lovingly

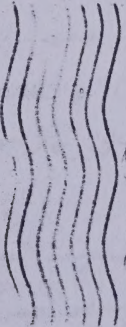

Aunt Fern

Dearest Mom & Pop:

well folks, its all over now I guess. I can't quite explain how happy I am. I have been thinking how wonderful it is, and how it would be long till Bill will be back, I guess our family will be all together once more, and the thought sort of leaves me speechless, I can't quite realize that we could actually be at home again and I guess it will take some time for me to realize that we are humans again, we had today and tomorrow off so. I guess we will have a good chance to rest up.

I've already lost all interest in the army, the only time I was interested was when the war looked back - now like everyone else I am ready to come home and I do intend to stay. Now just the thought of having the opportunity to be with you & Pop at home makes me so happy that I feel like snipping one of these DC-3's and flying home tonight - I will feel like any time I spend in the army from now on is just wasted. I am no longer interested in a commission, my wishes are very simple, I just want to get back home and start to work and be happy.

The field has been in an uproar ever since yesterday and everyone was given a two day pass. I have stayed here on the post because I can't see knocking myself out in town with beer. - well now I don't

guess I will get home for a long time, but at least I can visualize an end to my army career, and the thought is very comforting. I still say that Amarillo is the worst place I've ever been stationed, I hate this place more than anything. I think that if I could leave here I wouldn't mind the army so much.

How is everyone there, hope you are all well, - I heard from Dix a few days ago and have received all of your letters. It's sure good to hear from you now. Your letters are really appreciated, I enjoy them very much. I also hear from Elsie occasionally - I saw Anna last weekend. She was fine, and as usual I enjoyed myself very much. Mr. Hodge was there, he sure seems to be a real old fellow.

Well now the lights went out on me last night so I had to discontinue this till this this morning. I slept a little late, till eleven to be exact. It was really fun sleeping so late, I haven't done that since I was at Okla. and it really felt swell. Well now I don't have any idea what will be done with me, I don't guess anyone knows what will happen. I have an idea that some officer will be around soon with a slip of paper looking for volunteers for the floating army - this is one bid that don't place on staying in the army any longer than he has too. I want to be home and

AAAF Flight Engineering School

start working on my future. I rather think that there will be a few guys who feel the same way as I do. From what I can hear - they will continue this program die in and use us as engineers on C-95's which is a cargo ship something like the B-29, I don't guess I'll mind that so much but I don't plan on signing up for any extra time in the army. Even if it means going back to my former P.F.C. rating.

George Klee my Buddy is trying to convince me that I should go swimming with him, but around here the wind is always blowing and it is too cold so I just told him to go jump in the lake. Well now I can't think of any news so I'll close for now and write again soon. You write soon too, okay. Tell pop hello give him my love. Tell everybody else hello.

Your Loving Son
George.

Lieutenant General

Dear Frieda Rufus & Co.

will take this opportunity to write you, ~~please~~ don't
forgo out because I know it's been a long time since
I've written; - But don't you know that it isn't because
I haven't thought of you often, it has been with lock
of spare time and I've been lucky to find time to write
what few letters I do. How are you anyway? I'll bet
the weather is nice there now - right? I can't say
much for the weather at Amarillo, but here at El Paso
it is much nicer, I went for a horse back ride with
Kenneth this morning, - we rounded up a few hundred
sheep and had quite a time.

Well Frieda - now that the war is over, I guess
I feel about the uncertain the in the army - when
will we get out? I don't expect to get out soon myself.
but I don't know if we will finish training
either, I guess it is just a matter of time till we find
out what goes. The popular opinion is that we will have
a chance to finish if we sign up for three years, and
I'll give you three guesses what this kid will do.

we got a couple of days off last week. - it felt pretty
good to be during the week. But the Mayor of Amarillo
closed all the liquor stores so everyone had to stay
sober including myself. which is no novelty for me -
you know what a booze hound I am -
well Frieda I have about 25 days left here at

Amorillo - if everything goes according to schedule - which it probably won't. I doubt very much if we will finish our training, but it all depends on what "Pop. Arnold" our Lord + Master wants to do with us. But I'm afraid he will want to hang on to his younger crop including myself, for a few years.

I have started trying to figure out what I'll do after I get out - when I do - College looks pretty good to me right now, and every day I realize how ignorant I am, and how much a couple of years of school would help me. But I guess that's quite some time in the future so I'll sweat things out for a while.

I rec'd your letter to Cuda., and began to think what a hell I've been for not writing you sooner - But as you know, Procrastinating is one of my major faults and my attitude up to now has been to put things off as long as possible, but I'll try to do better in the future. I still say that Amorillo Air Field is the hell hole of the Army Air Force, and I'd just as soon sweat out a fox Borgia threat as I would some of the tactical officers we have there. It seems like everyone there including the officers are so disgusted with the place that they take their spite out on us, but the toughest part is that we don't have anyone to take our spite out on. A cadet is the lowest thing that Crankle and we don't rate much respect.

Well Frieda - How do you like being able to drive into a gas station and say (fill her up)? That's what I want to do again - I'll bet those japs will never start pelting mineheads again about you. How is ^{over}

John & Rufus. Hope they are well. - I wish I could get a
furlough - (a permanent one) - But did settle for 15 days.
Somehow his lost my interest completely in the army - that
is what - till I hear that I guess I'll probably be here
for another month. Ernie & I have been talking about how
nice it would be if you people could come out here for
a while. But there's probably a lot of complications
even though your rationing is over now. What do you
think they will do with Consolidated aircraft
now? I rather doubt if my old job will be
waiting for me when I get back, about April?

But I am also doubtful that I'll want to
go back to work there. But as soon as I've pawned
my gold tooth I'll probably do most anything. I still
say I could get along and feel myself better than the
army does anyway. But I am afraid things will be a bit
rough on a returning service man for a while at least. - But
it will take quite a while - while at the least, but I'm looking
for things to be better than ever before after the confusion
is over. Well I wish it seems to have run out of spool
so I'll quit for now and let you rest. Write soon.

Love of love to you all.

IN OUR SERVICE

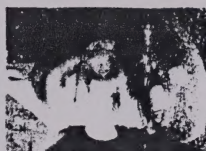

Proudly wearing the uniform of Uncle Sam's armed forces are these sons, nephews, brothers and even daughters of our fellow workers here at Rohr. To those of you pictured here we want you to know that we are as proud of you as you are of the uniforms you wear and we will go on working a little bit harder so that we can bring you home sooner.

"A DAY WHICH WILL LIVE IN INFAMY"

"Yesterday, Dec. 7, 1941, America was suddenly and deliberately attacked on the Hawaiian Islands by naval and air forces of the Empire of Japan. Americans will remember the character of the onslaught against us, a date which will live in infamy. This form of treachery shall never endanger us again. The American people, in their righteous might, will win through to absolute victory, so help us God!"

Japanese Imperial headquarters announced that 6 Japanese bombers were shot down by Douglas Douglas Arthur, commanding the U.S. Army of the far East, reported there was little damage.
Japanese submarines reportedly sank an American merchant ship and caused widespread damage and death.

HAM Sr., GEORGE JAMES George James Ham, Sr., a resident of El Cajon since 1931, passed away at his home with his entire family present on May 5, 2009. George was born in Villagreen, Colorado to Mary Lorene and George Dallas Ham on March 12, 1922, the youngest of 12 children. He moved to El Cajon with his family from Clarendon, Texas at the age of 9. George is survived by his wife of 60 years, the former Mary Jane McKenzie; sons, George Jr. and Robert; his beloved granddaughters, Michelle and Carolyn and daughter-in-law Joannie, and sister Mildred Stone, all living in El Cajon. George attended El Cajon Grammar school where he met his lifelong friend Ray Cunningham and graduated from Grossmont High School in 1940. After high school, George worked at Consolidated Aircraft until his induction into the United States Army Air Corps as an aviation cadet in January 1944. After completing his military service at the conclusion of Word War II, George joined with his brothers Herb and Bill, constructing septic tanks throughout East County. Their company grew and became known as Ham Bros. Construction, Inc., a General Engineering Construction firm, constructing public works and private projects throughout San Diego County and over the years in Sacramento and Riverside County.

During his career, he served as President of his own company, served on the Board of Directors and Labor negotiating committees for the Associated General Contractors of America, was an investor, organizer and former board member of San Diego National Bank and developer of a variety of real estate projects in East County related to family holdings. George was known best throughout his personal life and career as an individual of strong character and integrity, showing caring and concern for all those that he came in contact. As stated by a close family friend, "For me, as for all of us, he was an extraordinary man with that unique combination of ability and humility which served as a model for all of us to follow." Graveside Services were held on March 13, 2009 with Military Honors at the Singing Hills Memorial Park. The Ham family wishes to express their heartfelt gratitude as George would have insisted, to all the fine individuals at the Sharp Transitions, Hospice Care Program who made it possible that George always be home with his family and for us to have as much time with him as possible. Donations are suggested to the Grossmont Hospital Foundation, Sharp Hospice Care Fund, P.O. Box 158, La Mesa, CA 91944.

Property sold

LAKESIDE — A 17-acre property of the Ham Bros. Construction Inc. was sold to a Monterey Park pipe manufacturer for \$5,385,000. The purchaser, Ameron Inc., will relocate from an existing facility on Mission Gorge Road in San Diego.

Ameron will produce 12- to 21-foot concrete pipes to be used in water or sewer transmission lines and storm drains.

Ken Kay, senior vice president of finance and administration for Ameron, said that the company will service a market need for the San Diego area.

He said he did not know whether the pipes would be used to transport reclaimed water.

George Ham, who co-owns Ham Bros. with his brother Bill, said that he has not yet picked out another site for his company, though it might be moved to another property that the brothers own in Lakeside.

"We had more property than we needed, and they had a need for a plant site," said Ham.

Ham Bros. has operated in Lakeside for the past 45 years. (laf)

war #

August 19, 1945

Dear Freda

Dear, Frieda Ruffe & Co.

will take this opportunity to write you, please don't
pore out because I know its been a long time since
I've written, - But I'm sure you know that it isn't because
I haven't thought of you often, it has been with lock
of spare time and I've been lucky to find time to write
what few letters I do. How are you anyway? I'll bet
the weather is nice there now - right? I can't say
much for the weather at Amarillo, but here at Blueford
it is much nicer, I went for a horse back ride with
Kenneth this morning, - we rounded up a few hundred
sheep and had quite a time.

Well Frieda - now that the war is over, I guess
I feel about like everyone else in the army - when
will we get out? I don't expect to get out soon myself
and I don't know if we will finish training
either, I guess it is just a matter of time till we find
out what goes. The popular opinion is that we will have
a chance to finish if we sign up for three years, and
I'll give you three guesses what this kid will do.

we got a couple of days off last week. - it felt pretty
good to loaf during the week. But the Mayor of Amarillo
closed all the liquor stores so everyone had to stay
sober including myself. which is no novelty for me -
you know what a booze hound I am.
Well Frieda I have about 25 days left here at

Amorillo - if everything goes according to schedule - which it probably won't. I doubt very much if we will finish our training but it all depends on what "Hop Arnold" our Lord + Master wants, to do with us. But I'm afraid he will want to hang on to his younger crop including myself, for a few years.

I have started trying to figure out what I'll do after I get out - when + if - College looks pretty good to me right now, and every day I realize how ignorant I am, and how much a couple of years of school would help me. But I guess that's quite some time in the future so I'll sweeten things out for a while.

I read your letter to Cima, and began to think what a hell I've been for not writing you sooner - But as you know, Procrastinating is one of my major faults and my attitude up to now has been to put things off as long as possible, but I'll try to do better in the future. I still say that Amorillo Air Field is the hell hole of the Army Air Force, and I'd just as soon sweeten out a fox Borgia attract as I would some of the tactical officers we have there. It seems like everyone there including the officers are so disgusted with the place that they take their spite out on us, but the toughest part is that we don't have anyone to take our spite out on. A cadet is the lowest thing that Cramble and we don't rate much respect.

Well Frida - How do you like being able to drive into a gas station and say (fill her up)? That's what I want to do again - I bet those guys will never stop polishing windshields again about you. How is - over

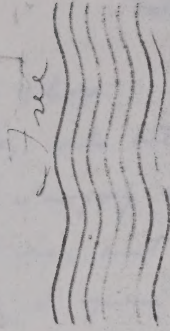

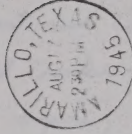

you & Ref. Hope they are well. - I wish I could get a
furlough - (a permanent one) - But I'll settle for 15 days.
Somehow I've lost my interest completely in the army - that
is what I ever had. I guess I'll probably be here
for another month. Ernie & I have been talking about how
nice it would be if you folks could come out here for
a while. But there's probably a lot of complications
even though your rationing is over now. What do you
think they will do with Consolidated Aircraft
now? I rather doubt if my old job will be
waiting for me when I get back, don't you?

But I am also doubtful that I'll want to
go back to work there. But as soon as I've pawned
my gold tooth I'll probably do most anything. I still
say I could get along and feel myself better than the
army does anyway. But I am afraid things will be a bit
rough on a returning service man for a while at least. - But
it will take quite a while - while at the least, but I'm looking
for things to be better than ever before after the confusion
is over. Well I think I seem to have run out of space
so I'll quit for now and let you rest. Write soon.

lots of love to you all.

Dearest Mom + Pop:

well folks, its all over now I guess. I can't quite explain how happy I am. I have been thinking how wonderful it is, and how it would be long till Bill will be back, I guess our family will be all together once more, and the thought sort of leaves me speechless, I can't quite realize that we could actually be at home again and I guess it will take some time for us to realize that we are humans again; we took today and tomorrow off so. I guess we will have a good chance to rest up.

I've already lost all interest in the army, the only time I was interested was when the war looked back - now like everyone else I am ready to come home and I do intend to stay. Now just the thought of having the opportunity to be with you + Pop at home makes me so happy that I feel like snipping one of these B-29's and flying home tonight - I will feel like very tired I spent in the army from now on is just wasted I am no longer interested in a Commission, my mind is very simple, I just want to get back home and start to work and be happy.

The field has been in an uproar ever since yesterday and everyone was given a two day pass. I have stayed here on the post because I can't see knocking myself out in town with Lee. - well now I don't

AAAF Flight Engineering School

guess I will get home for a long time, but at least
I can visualize an end to my army career, and the
thought is very comforting. I still say that Amarillo
is the most place I've ever been stationed, I hate this
place more than anything. I think that if I could leave
here I wouldn't mind the army so much.

How is everyone there, hope you are all well, - I
heard from Lis a few days ago and have received
all of your letters. It was good to hear from you
again. Your letters are really appreciated, I enjoy them
very much. I also hear from Elsie occasionally - I saw Anna
last week end. She was fine, and as usual enjoyed
myself very much. Mr. Hodge was there, he sure seems
to be a nice old fellow.

Well now the lights went out on me last night
so I had to discontinue this till this morning
I slept a little late, till eleven to be exact. It was really
fun sleeping so late, I haven't done that since I was at
Marshall. And it really felt swell. Well now I don't know
any more what will be done with me, I don't guess
anyone knows what will happen. I have one idea that
some officer will be around soon with a slip of paper
looking for volunteers for the pleasure army - This is
one bid that don't place on staying in the army any
longer than he has too. I want to be home and

AAAF Flight Engineering School

start working on my future. I rather think that there will be a few guys who feel the same way as I do. From what I can hear - they will continue this program die in and use us as engineers on C-97's which is a cargo ship something like the B29, I don't guess it mind that so much but I don't plan on signing up for any extra time in the army. Even if it means going back to my former P.F.C. rating.

George Klee my Buddy is trying to convince me that I should go swimming with him, but around here the wind is always blowing and it is too cold so I just told him to go jump in the lake. Well now I can't think of any news so I'll close for now and write again soon. You write soon too, okay. Tell Pop hello give him my love. Tell everyone else hello.

Yours Truly,
George.

HAM JR., GEORGE JAMES

George James Ham Jr., a lifetime resident of El Cajon, passed away unexpectedly at home on December 19, 2009, at the age of 57. George was born at Mercy Hospital in San Diego, CA, to George James Ham, Sr. and Mary Jane Ham on his father's birthday, March 12, 1952.

George is survived by his wife of 28 years the former Joan Leigh Wardle, his beloved daughters Michelle and Carolyn, his mother Mary Jane Ham and brother Robert Ham.

George attended grammar school in El Cajon, Greenfield Junior High and graduated from Granite Hills High School in 1970. George subsequently graduated in 1974 from the United States International University in San Diego earning his Bachelor's Degree in Business Administration.

After college, George joined his father's company, Ham Bros. Construction, Inc. a General Engineering Contractor where he worked in all aspects of managing the family owned business. After his father's retirement, George subsequently worked for several local contractors including Moritt Construction, FCI Construction, TC Construction and SC Valley Engineers. George was always considered to be a consummate professional and held in high regard by his professional peers.

People gravitated towards George and it was not long before they would fall in love with him.

In 1957, George, along with his mother and father, brought his newly born brother home from the hospital on a pillow on his lap. Happy, proud and fiercely protective of his new friend, he never let his brother off the pillow his entire life.

George's principal quality in life, without a doubt was his

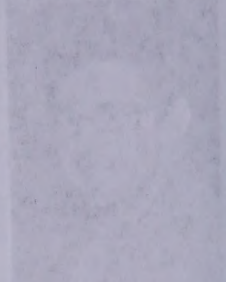

devotion to his entire family, in particular and along with his wife, their two beloved daughters Michelle and Carolyn.

George was known by all to be a kind, sensitive and deeply caring individual.

Public Viewing will be held at the El Cajon Mortuary on Monday, December 28, 2009, between 4 and 7 p.m. George will be laid to rest beside his father and Graveside Services will be held at the Singing Hills Memorial Park on Tuesday, December 29, 2009, at 10 a.m. All are invited.

Donations, in lieu of flowers, are suggested to the Trauma Intervention Program of San Diego at 2560 Orion Way, Carlsbad, CA 92010 or www.TIPsandiego.org. The volunteers of this organization were a tremendous help during this time of crisis and the Ham Family wishes to express their heartfelt gratitude to these fine individuals.

Woman was praised by Obama in election night speech

Ann Nixon Cooper, the Atlanta centennarian lauded by President Barack Obama in his election-night speech last year, has died.

She was 107.

In his 2008 speech, Obama called Mrs. Cooper an example of "the heartbreak and the hope" of the past century. He noted that she was born at a time when women and blacks couldn't vote and lived to cast her ballot for the country's first black president.

In a statement Tuesday, Obama praised Mrs. Cooper's life of service and offered his condolences.

"It is especially meaningful for me that she lived to cast a vote

on Election Day 2008, and it was a deep honor for me to mark her life in the speech I delivered that night," the statement read. "It was a life that captured the spirit of community and change and progress that is at the heart of the American experience: a life that inspired and will continue to inspire me in the years to come."

Carl M. Williams Funeral Directors of Atlanta, which is handling arrangements, confirmed that Mrs. Cooper died Monday at her southwest Atlanta home at her southwest Atlanta home at Martin Luther King Jr. Drive. She would have turned 108 on Jan. 9.

On Inauguration Day, she proudly hosted a full house of media and guests to watch Obama take office—a feat for which she

took partial credit.

When one of her grandsons asked, "How do you feel about having a black president?" she quickly responded, "I helped put him there."

Mrs. Cooper first registered to vote on Sept. 1, 1941, but because she was a black woman in a segregated, sexist society, she didn't exercise her right for years—deferring instead to her husband, Dr. Albert B. Cooper, a prominent Atlanta dentist.

Ann Nixon Cooper outlived her husband, who died in 1967, and three of her four children. She cast an early ballot for Obama on Oct. 16, 2008.

In her 93s, she jokingly claimed civil rights icon Andrew Young as her "boyfriend." Young, a former

Atlanta mayor and ordained minister, was also a fellow member of First Congregational Church.

Mrs. Cooper was an active woman who did aerobics until she was 100, took the stairs to her bedroom until she broke her hip last year, wore out friends 20 years her junior on shopping trips and even dismissed Young on the dance floor at her 104th birthday party, he recalled.

"She was just a really wonderful woman who lived a very good life," Young said of Mrs. Cooper, whom he visited a few days before her death.

"She just outlived and outlasted everybody," he said. "She was always joking and always happy and never complained about anything."

ARNOLD STANG

Nerdy character actor was voice of Top Cat

By Bruce Weber

NEW YORK TIMES NEWS SERVICE

Arnold Stang, a character actor whose bespectacled, owlish face and nasal urban twang gave him a singular and recognizable persona, whether on radio or television, in the movies or in advertisements, or even in cartoons, died last Sunday in Newton, Mass. He was 91.

The cause was pneumonia, said his son, David. Mr. Stang considered himself a dramatic actor who could play serious roles. But even he was aware that with his signature heavy glasses and a manner that could be eagerly solicitous, despondently whiny or dare-you-to-hi-me pug-nacious, his forte was comedy.

Like Wally Cox, who was a friend, and Don Knotts, Mr. Stang was a natural for roles requiring a milquetoast, a pest or a nerd. At 5 foot 3 and never much more than 100 pounds, he once said of himself, "I look like a frightened chipmunk who's been out in the rain too long."

And in a story he frequently told, after an auto accident in 1959 that left him needing extensive plastic surgery, he said to the doctor, "For God's sake, don't make me look pretty."

His memorable moments as an actor were oddly varied signposts of popular culture. He was the spokesman for Chunky, the candy bar, in the 1950s, delivering the slogan: "Chunky! What a chunk o' chocolate!"

In Otto Preminger's 1955 film about drug addiction, "The Man With the Golden Arm," he played Frank Sinatra's pal Sparrow in a performance that is often cited as a precursor of Dustin Hoffman's turn as Ratso Rizzo in "Midnight Cowboy."

On "Top Cat," the animated television series of the early 1960s, he was the voice of T.C., aka Top Cat himself, the leader of a mischievous cat gang. (The character was based on Phil Silvers' Sergeant Bilko.)

He was one of two gas station attendants (Marvin Kaplan was the other) who witness the destruction of their station by Jonathan Winters in the 1963 lunatic film comedy "It's a Mad, Mad, Mad, Mad World."

Most sources indicate that Mr. Stang was born in Chelsea, Mass., in 1925, but according to his family, though he had relatives in Chelsea, he was born in Manhattan on Sept. 28, 1918. His father was a lawyer until the 1929 stock market crash and earned a living afterward as a salesman.

He began his show business career as a teen-

ager—his first radio appearances were on the shows "The Horn and Hardart Children's Hour" and "Let's Pretend"—and he went on to perform on dozens of radio programs in the 1930s and '40s, including soap operas, mysteries and comedies, and was often called on to play more than one role.

He was probably best known at the time for "The Goldbergs," the long-running family series set in the Bronx on which he played the character Seymour Fingerhood, the teenage neighbor to the "ie family, and later as a sidekick to stars like Ernie Cannon, Jack Benny and especially Milton Berle.

Mr. Stang was a regular on "The Henry Morgan Show," a showcase for Morgan's astringent satire, often playing a complaining, goobal New Yorker named Gerard who traded banter and one-liners with the host. After Berle moved his radio show to television, Mr. Stang appeared from 1953 to 1955, bringing along his character, Francis, a pain-in-the-neck stagehand who bugged the star relentlessly.

Mr. Stang landed on Broadway three times, the last being a revival of "The Front Page" in 1969. He was a regular on the 1960s comedy "Broadside," a short-lived, disast version of "McHale's Navy," and was a guest star on numerous series, including "Bonanza," "Batman" and "The Cosby Show."

He was also the voice of many cartoon characters, including Nurdle the Turtle in the 1965 film "Pinocchio in Outer Space." Other film credits include Preminger's 1968 gangster comedy "Skidoo," with Jackie Gleason; "Hercules in New York" (1970), a comedy with Arnold Schwarzenegger; and "Dennis the Menace" (1983), with Walter Matthau.

Dan O'Bannon, whose screenplays for "Alien," "Total Recall" and "The Return of the Living Dead" and other films made him a cult hero among science fiction aficionados, died Dec. 17 in Santa Monica, he was 63.

The Writers Guild of America confirmed his death. The cause was Crohn's disease, a chronic gastrointestinal disorder that O'Bannon had endured for 30 years, his wife, Diane, told the *Los Angeles Times*.

Mr. O'Bannon had an early start as a screenwriter when he and the director John Carpenter, students at the time at the Uni-

Previously known as Alaina Reed Hall, she remarried in 2008. Her stage credits include "Chicago" and "Hair." She appeared in several movies, including "Crush Inter-

ions" and "Death Becomes Her," and in guest-starring roles on numerous TV shows such as "ER," "NYPD Blue," "The Drew Carey Show" and "Ally McBeal." Mrs. Reed-Amini joined the "Sesame Street" cast in 1976 and played Olivia, a photographer and sister of the character Gordon. She remained on the show until 1988.

versity of Southern California film school, wrote the low-budget film "Dark Star," which was released as a feature in 1974.

After working as a computer animator for the director George Lucas on "Star Wars" and trying, unsuccessfully, to develop a film based on the Frank Herbert novel "Dune," Mr. O'Bannon created the story of "Alien" with the screenwriter Ronald Shusett and wrote the screenplay on his own.

In 1985, Mr. O'Bannon wrote and directed "The Return of the Living Dead" part homage to the George Romero zombie film "Night of the Living Dead" and part genre spoof. In 1990 he teamed with Shusett again, among others, to write "Total

Recall," a violent, futuristic tale set partly on Earth and partly on Mars and based on a short story by Philip K. Dick. It starred Arnold Schwarzenegger and Sharon Stone.

Daniel Thomas O'Bannon was born in St. Louis on Sept. 30, 1946. He attended Washington University in St. Louis and MacMurray College in Abilene, Texas, before earning a master of fine arts degree from USC.

His other screenwriting credits include "Blue Thunder" (1983); "Lifeforce" (1985) and "Invaders From Mars" (1986), both directed by Tobe Hooper (who directed "The Texas Chain Saw Massacre" and "Poltergeist"); and "Bleeders" (1987).

to Europe, where the refugees were forced to disembark in Germany.

The ship's ordeal was reported worldwide, garnering sympathy for the refugees, especially because they were taken to Germany, where the Nazi murder of 6 million Jews during World War II originated.

It inspired a fictionalized account by American writer Leon Uris and a classic 1960 film directed by Otto Preminger and starring Paul Newman.

Newman's character was patterned after Yossi Harel, who commanded the Exodus mission as a leader of the Haganah pre-state Jewish armed force. Harel died last year.

Mr. Ahronovitch, who was nicknamed Ike, captained the ship. His daughter said the experience remained a pivotal part of his life for years afterward.

"It was one of the most important things of his life. He wasn't a big storyteller, but he'd happily tell schoolchildren about it," she said. "The Exodus influenced him and his friends deeply. Those were the days that defined them and as far as they were concerned defined the character of this country."

Mr. Ahronovitch was born in Poland in 1923 and moved to pre-state Israel 10 years later. He later worked with ships and always loved the sea, his daughter said.

In a statement Wednesday, Israeli President Shimon Peres called Mr. Ahronovitch "one of a kind ... a combination of pioneering, courage and love of his people."

Mr. Ahronovitch is survived by two daughters, seven grandchildren and two great-grandchildren.

19 and was pronounced dead at a hospital in the Salt Lake City suburb of Murray, Mr. Peek was a servant with a remarkable memory and inspired writer Barry Morrow when he wrote "Rain Man," the 1988 movie that won four Academy Awards. Fran Peek said his son met Morrow at a convention in the early 1980s and the writer was taken with Mr. Peek's knack for retaining everything he heard.

Morrow wrote the script, and the movie went on to win Oscars for best film and best actor for Dustin Hoffman, whose repetitive rants about being an excellent driver and the "People's Court" about to start were a hit with moviegoers.

Although the character was technically fictional, Fran Peek said his son was every bit as amazing as Hoffman's portrayal of him. And Kim's true character showed when he toured the world, helping disabled people overcome mental disabilities. In his later years, Mr. Peek was classified as a "mega-

savant" who was a genius in about 15 different subjects, from history and literature and geography to numbers, sports, music and dates. But his motor skills were limited; he couldn't perform some simple tasks like dressing himself.

ALBERT SCANLON, 74: One of Manchester United's famed "Busby Babes" and a survivor of the 1958 Munich air disaster, Mr. Scanlon died Tuesday. He won the 1956

and '57 soccer league titles as an inside forward before the Feb. 6 crash killed eight of his United teammates on the way back from a European Cup match in Belgrade, Mr. Scanlon recovered from a broken leg and fractured skull to score 16 goals the following season and help United finish runner-up in the English league. He scored 35 times in 127 matches for United before spells at Newcastle, Mansfield and Lincoln. He retired in 1966.
